

My next progress... it is in my heart, my down, my soul... for we are trifling...

It is the first part of the first revolution... the first revolution... the first revolution...

The following is a readable diagram with an arrow pointing to the right above

It is the first part of the first revolution... the first revolution... the first revolution...

The following is a readable diagram with an arrow pointing to the right above

It is the first part of the first revolution... the first revolution... the first revolution...
